Thank You for joining us in Stockton--- A Very special Place.

Dear Friends:

Well the time has come for us to step aside, and turn this all over to other people, who will soon know the real meaning of being Emperor, and Empress. They will soon know the heart aches, and the Joys of the office.

I have met so many fine people while I have been in office, and made some very good friends, that will remain friends for many years to come.

I wish to take a minute to thank you one and all for all the support you have given me, both in town, and out.

Also my thanks goes to all the Court members that have been loval, and worked so very hard this year

A very special thanks goes to those who have always been there when the times were not easy, and was sure to give me the good sound advice that I needed. Without these people to help, we could flounder so easy.

I wish to thank even those who have made this year a real experience, and who probably deserve the SPOON AWARD for with out these people as well, it could have been real dull at times.

Thank You everyone, and GOOD LUCK to my successor, and the Court of 1980.

MAY IT BE AS INTRESTING FOR YOU AS IT HAS BEEN FOR ME!!!!

I would like to take a minute to say we are very happy to see all of you here, and hope you enjoy the evenings festivities.

DEAREST FRIENDS:

AS THIS EVENING COMMENCES, IT MARKS THE END OF OUR REIGN. AS THIS EVENING CONCLUDES, OUR REIGN PASSES INTO HISTORY. IT IS WITH JOY THAT I PASS ON THE AFFAIRS OF STATE TO MY SUCCESSOR, BUT YET, THERE IS SORROW ON LEAVING OFFICE.

THROUGH MY TRAVELS, I HAVE MET SOME OF THE GREATEST
PEOPLE, AT HOME AND IN OTHER CITIES. THANKS FOR ALLOWING
ME TO BE YOUR EMPEROR, AN EXPERIENCE I'LL NEVER FORGET.

## THIS TIME YOU REALLY COUNT!

Marchers will fill the streets with a presence that's impossible to ignore. Marching and demanding their rights ... the right to work, and the right to a life without the constant threat of violence. Marching bands, twirling corps and choruses from every corner of the state will fill the streets of the state capital with the sound and beat of freedom. Come and be a part of this event. History and our community call to you. Come to Sacramento!

Join the thousands of marchers to demand:

Passage of employment protection legislation for lesbians and gay men in the 1980 legislative session (AB-1, SB-18, SB-3).

Cessation of the continuing violence against lesbians and gay men in this society.

These bills must be acted upon by the state legislature before January 31, 1980. We must act before then to have any impact. As many people as possible must come to Sacramento to show our lawmakers that we are everywhere.

The State Legislature is the only place bills move or die. It will not come to us, so we must go to the State Capital and demand our rights!

DUE TO THE MARCH ON THE 13th. IN SACRAMENTO
WE HAVE CHANGED THE 12 NOON BRUNCH TO AN 8:AM
BREAKFAST FOR YOUR CONVENIENCE.

WE WILL HAVE PEOPLE KNOCKING ON DOORS, TO WAKE
YOU, SO THAT YOU MIGHT ATTEND THE BREAKFAST

Your Majesties and Friends:

Another great reign is about to come to an end. To LauraLeigh and Don, I can only remind that in your case an end is just a beginning as those of us who have past on our crowns know our ending has only been the start of work with future generations of courts. You have a lot to look forward to and I congratulate you both and all of your court members and friends for a great and successful year.

To LauraLeigh, I wish to thank for all her work and the many people she has added to our court in workers and in friends, out

of town and especially in our own community.

To Don, I wish to thank for stepping in when Emperor V no longer felt able to finish his reign and for all the work and

friends he has helped bring in.

You both have worked hard along with your court. There are those who have opposed you in giving you a hard time, there will always be people who don't like something and try to create havoc no matter who is in office.

To the candidates: Doug, Julie, Glenna, and Bob. It has been a heated campaign. You have created a stir in our community and opened a lot of eyes towards making Stockton Court bigger and stronger. I sincerely hope that the few times you have had

disagreements no one has been turned away.

Thank God after the Coronation we will be able to laugh and use these things to learn from and grow on. It has been fun listening to all the goings on and knowing when this through we can again unite our forces and be one strong community. Only two can win..this we know..but we are all winners. You have made many friends and had some great times. Come Sunday morning lets go to breakfast and unite ourselves and follow our new leaders to Sacramento and join our brothers and sisters from all over California and show ourselves as a truly united and loving group of gay men and women.

Lovingly as always,

Queen Mother Stephanie Empress I & II
